

*United Fund for Belgium Celebrates
40th Anniversary
with Charity Gala Dinner*

Dear,

In 2012 United Fund for Belgium will celebrate its **40th anniversary**. Since its introduction in 1972, UFB has distributed **€ 22.1 million** to **2,424 Belgian charities**.

As a donor or as a friend of UFB, you have made this all possible.

This year we have again seen the happiness that the money contributed to UFB can buy. Many happy faces were present during our yearly Handover Ceremony. These faces, and the projects we do to support them, are at the heart of UFB. They are the true witnesses of your generosity.

So it is time to celebrate together with a candlelight dinner and live music in the beautiful surroundings of the **Château Ferme de Profondval** on **Thursday 15 March 2012** from 19:30 onwards. An auction with exceptional, exclusive items will be organised as well.

Reserve your company table for 10 people now (€ 275 per person VAT exclusive) by sending an email to kgoossens@ufb.be.

Beautiful invitations will be sent to all of you in January, first by email and then by postal mail!

We hope you will be able to celebrate with us.
